

The Topsy Elf has visited you,
with good cheer and a gift of bubbly brew.
Lager, ale, bock, or stout,
He needs your help to complete his route.
So grab your favorite hops-grain blend
and deliver it to kin or friend.
But be discreet, show not thyself.
'Cause you're not you, you're the Topsy Elf.

SPREAD THE GOOD CHEER

Place the back of this card on your window to show that
you've been visited by The Topsy Elf and deliver a 6 pack to
a friend along with a stack of the enclosed Elf Cards.
